NARRATIVE

This survey was performed at the request of Karren Shaeffer for the purpose of locating and marking the corners of the parcel described in Warranty Deed, Entry Number 518348 in the Duchesne County Recorder's Office, located in Section 35, Township 1 South, Range 5 West of the Uintah Special Base and Meridian, as indicated on this plat. This section was originally surveyed by the General Land Office using the "3-mile method" of section subdivision during which the 1/16 corners were set. A search was made for the monuments marking these aliquot part corners and the results are noted by each corner on the plat. Those corners not found were reestablished using evidence of their original position or if no evidence was found then they were set using single proportionate measurement as noted. Previous surveys in Section 35 were used as a basis for this survey. This plat represents the dependent resurvey of Section 35, and is designed to restore the Public Land Survey System corners to their true original location according to the best available evidence.

SURVEYOR'S CERTIFICATE

I, Jerry D. Allred, do hereby certify that I am a Professional Land Surveyor, and that I hold certificate no. 148951 as prescribed by the laws of the State of Utah. I further certify that this plat and its computations were prepared from the field notes and electronic data collector files of an actual survey made by me, or under my personal supervision, of the parcels of land shown hereon, and that the monuments indicated were found or set during said survey, and that this plat accurately represents said survey to the best of my knowledge.
